

# The Messenger ~ January 2015

*Our Savior's Lutheran Church and School ▪ San Clemente, California*

*"Inspired to Love, Encouraged to Think, and Sent to Serve"*

**You are the Gift....Live like it!**

*"For this reason I remind you to rekindle the gift of God  
that is within you through the laying on of my hands." 2 Timothy 1.16*

Now that Christmas has come and gone and all the presents under the tree have been opened and most of the decorations have been put away for another year; I want you to consider the fact that one of the most important gifts you have is YOU! You are the gift. I know this must sound like I've gone and drank from the "self-help, pop psychology waters" but I truly mean it when I say that you are the gift! And that being the case you are meant to be shared.

Sometimes we don't feel like much of a gift. We can find ourselves constantly being envious of others who seem to have so much more to offer; but the truth is that each and every one of us has been given not only talents and resources, but more importantly each one of us has been claimed by God for the sake of the world. That means that we not only have a purpose, but that our lives matter.

So this year, instead of making a "New Year's resolution" or embarking on some grand program of self-enrichment, I want you to wake up each and every morning with this thought—"I am the gift!" Now, don't let this go to your head. After all we Lutherans are known for our humility, but just imagine what a difference it would make to keep those four little words as your personal motto for 2015. How might this look?

Scenario number one is that you are sitting at the common dinner table, or perhaps in a doctor's waiting room or just outside on the patio when someone comes up to you and just begins to talk. Nonstop they continue to the point where you quite honestly are considering faking an illness in order to get away! But then you remember, "I am the gift!" Perhaps this person is simply lonely, or friendless, or maybe just excited and wants to share with another human being. Your act of listening and patience is probably going to be the most important gift that

person could receive. Don't be annoyed, smile that God can use you in such a wonderful way!

Or what about the opportunity to teach Sunday School, or coach little league, or participate in the Boys and Girls club? Everyone is busy yet you take the time to actually connect with a little one. Your love and genuine care are remembered by this child for the rest of their lives and in fact become the stimulus for their own involvement for the good and welfare of children. You are the gift! You have put into motion things that you might never live to see, or realize that you have done—yet without you they would not have happened.

And let's make sure we talk about our resources and how we use them. Our dollars and assets that we contribute to the ministry of the church are a precious gift. I will never know to what extent the dollars I give have impacted lives—but I know that they have! Fresh water in India, food in Somalia, housing in America, relief for refugees in Syria, compassion to orphans in Haiti and resources for peace makers throughout the world—all of this has happened because of the money I have given through Our Savior's. And of course this does not include the impact of the Gospel! How the words of Jesus have come to change and transform lives.

Please, every morning when you get up remind yourself that YOU ARE THE GIFT! God is waiting and willing to use you to bless the world.

***Peace!***

Happy New Year! First, let me say a HUGE “**Thank You**” to all those wonderful volunteers and staff who made the celebration of our Lord’s birth such a wonderful worship experience. It takes many servants in many areas of ministry to create such wonderful opportunities for worship.

Have you made a resolution for the New Year? According to the University of Scranton, *Journal of Clinical Psychology*, 62% of Americans make a New Year’s resolution. However, only 8% are successful in achieving their resolution. Here is their list of the top 10 resolutions:

1	Lose Weight
2	Getting Organized
3	Spend Less, Save More
4	Enjoy Life to the Fullest
5	Staying Fit and Healthy
6	Learn Something Exciting
7	Quit Smoking
8	Help Others in Their Dreams
9	Fall in Love
10	Spend More Time with Family

Those are some great goals. However, the success rate is a little disheartening. The article continues to say that, “*People who explicitly make resolutions are 10 times more likely to attain their goals than people who don’t explicitly make resolutions*”. I think the key to keeping a resolution can be found in Proverbs 16.3, “Commit to the Lord whatever you do, and your plans will succeed.” If we set a goal and **commit** to that goal, we **will** be successful.

I would like to end up with another cartoon from my favorite comic strip:

Have a happy and successful New Year!

## **Why Are The Kids So Tired?**

I thought I would give you good folks an inside glimpse of what it's like to be a high school student in our youth group and more specifically what happens during one of the most fun, yet physically exhausting events that we do; The "All Nighter"!

The All Nighter is a semi- annual event that takes place in Summer and Winter. It is a combined event between our high school youth group and our favorite partner group; Lutheran Church of the Resurrection (LCR) in Huntington Beach.

This year the evening started out innocently enough with the combined groups meeting at Boomer's in Irvine for some good clean fun on their go-karts, laser tag, miniature golf, game arcade, and many other attractions. The teens played with their friends and got to know the youth from the other church.

At 11pm we left Boomer's, got in the vans, and met at LCR to enjoy a great time of fellowship and teen foolishness with billiards, "Rock Band", "Dance Party", sing-a-longs, devotions, and a really goofy white elephant gift exchange, oh and a lot of food, all the while the kids from both groups were bonding and coming out of their comfort zones and continuing to make new friends.

At 2:45am we again loaded up the vans and headed out to Aliso Viejo Ice Palace for some broom hockey! For those that don't know what broom hockey is let me fill you in, it is just like regular hockey but it is played in tennis shoes and uses a ball and a "broom" instead of a puck and hockey stick, it's really fun. We played at the ice rink until 4:30am. By this time the kids were clicking with their new friends.

After broom hockey we again loaded into the vans for the final stop on our all night adventure; breakfast at an all-night diner! This is probably my favorite part of the evening as this is when the kids start dropping like flies! It is amazing to see what teenagers will order when they have been up all night, my favorite was the whole pie consumed by two of our young men.

While all of this is a lot of fun, it serves a larger purpose; to remind the youth that there are other like-minded teens out there that are kind, supportive, and Christ-loving. We will be traveling with many of these same kids this summer on our trip to the ELCA National Youth Gathering in Detroit, but more on that later, I need some sleep.

**Goodnight,**

## A GLOBAL CHURCH!

### How are we connected to Lutherans around the world?

Consider these facts about our church's global engagement:

The ELCA (Evangelical Lutheran Church in America) belongs to The Lutheran World Federation, a global communion representing more than **72 million Christians in 79 countries**. The **ELCA is the communion's only member church from the United States**.

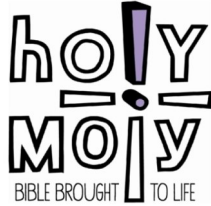

- More than **240 ELCA missionaries serve in more than 40 countries**, including **60 Young Adults in Global Mission in nine countries** around the world, invited by church leaders in that country to work together with them hand-in-hand. This fall, as part of *Always Being Made New: The Campaign for the ELCA*, a new group of young adults will begin service for the first time in Rwanda, 20 years after the genocide.
- In the past 25 years, more than **800 International Leaders** have completed their studies at colleges, universities and seminaries in the United States and around the world through ELCA-funded scholarships. Over the next five years of *The Campaign for the ELCA*, we will equip 200 more women international leaders with scholarships and educational opportunities.
- Every year we respond to requests from our global companion churches for financial support to expand their **Global Ministries** -- to start new congregations, extend their youth outreach in urban areas and train pastors and evangelists. Through *The Campaign for the ELCA*, we're helping make possible 14 new Global Ministries initiatives in Africa, Asia, Europe, Latin America and the Middle East.

We are a global church!

## January Family Devotion:

### JOY FOR THE NEW YEAR!

Teach your children about joy: Wrap small amounts of money in individual packages, and give one to each child. Encourage them to guess what's inside. After they unwrap it, help them consider how they will use the money — tithe, save and spend. Then remind them to say thank you.

Explain how God gives people His joy — a daily offering. Ask children to look at joy as a gift.

**Anticipate it.** Discuss what kinds of gifts God wants to give them.

**Unwrap it.** Explain how prayer and reading the Bible are ways they can receive joy. Knowing that they are God's children, that He loves them and that He wants what is best for them brings joy.

**Use it.** Joy is not happiness but can be in them at all times — during easy as well as difficult days. They can share it with others because God is the provider. Children can show joy through good attitudes, helpfulness and thankfulness.

**Thank the Giver.** Remind children to tell God "thank You" for daily giving them His joy.

### Review

1. What did we compare to joy? (Wrapped gift)
2. People can only have happiness during good times. When can you have joy? (During good and bad times)
3. What is one way to be joyful when good or bad things happen? (Thank God for the good things He has given you and remember He loves you.)
4. How do you share joy with others? (Through good attitudes, helpfulness and thankfulness.)

January is our kick-off for our new women's study! We will meet once a month by a "fireside" in town or in a welcoming home! Join us as we dive deeper into our calling as women of faith, women of Our Savior's, and most importantly women of our community!

January's discussion will be on Patience, with Romans 12:12 as our guide!

# One Baptism

The "one" theme of Ephesians 4:4-6 assures us that we need to be baptized only once. Yet a relationship with God involves approaching him with a humble heart each day.

## "ONE" PAINTING

Ephesians 4:4-6 talks a lot about *one*. Create one painting that says it all.

### What you need:

- Foam letters or letter stickers
- White painting canvas
- Acrylic paints
- Paintbrush or sponge
- Water

### What you do:

1. Place letters on the canvas to spell out the "ones" in Ephesians 4:4-6 (one body, one Spirit, one hope, one Lord, one faith, one baptism, one God).
2. Paint over the letters, using various colors.
3. When the paint is dry, peel off the letters to reveal words that explain important Bible truths.
4. If desired, finish by painting some number 1's in any blank spots.

Answers: body, Spirit, hope, Lord, baptism, God, Father, repentance, forgiveness
